Philosophy & Methodology	
Sensorial Development Introduction	.3
The Development of the Sensorial Materials	.4
Sensitive Periods and the Senses	.6
The Importance of the Senses	.9
Characteristics of Sensorial Materials	.10
Types of Sensorial Activities	.16
Presenting the Sensorial Activities	.18
Benefits of the Sensorial Materials	.22
Sensorial Education Summary	.26
Montessori Activities	
About the Three-Period Lesson	.29
Activity: Building Vocabulary with the Three-Period Lesson	.35
About Nomenclature Cards	.38
Activity: Matching Nomenclature Cards	.41
Visual Activities	
About Cylinder Blocks	.45
Activity: Working with the Cylinder Blocks	.47
About Pink Tower	.51
Activity: Building the Pink Tower	.53
About Brown Stair	.56
Activity: Working with the Brown Stair	.58
About Red Rods	.62
Activity: Working with the Red Rods	.63
About Knobless Cylinders	.67
Activity: Working with the Knobless Cylinders	.69

About Color Tablets	73
Activity: Working with the Color Tablets	75
About Geometric Cabinet — Demonstration Tray	79
Activity: Working with the Demonstration Tray	81
About Geometric Cabinet	84
Activity: Working with the Geometric Cabinet	88
About Geometric Form Cards	91
Activity: Working with the Geometric Form Cards	93
About Botany Cabinet	97
Activity: Working with the Botany Cabinet	99
About Rectangular Box A	103
Activity: Working with Rectangular Box A	105
About Rectangular Box B	108
Activity: Working with Rectangular Box B	109
About Triangular Box	112
Activity: Working with the Triangular Box	114
About Large Hexagonal Box	117
Activity: Working with the Large Hexagonal Box	119
About Small Hexagonal Box	123
Activity: Working with the Small Hexagonal Box	125
About Binomial Cube	130
Activity: Working with the Binomial Cube	132
About Trinomial Cube	136
Activity: Working with the Trinomial Cube	138

Tactile Activities

About Touch Boards	144
Activity: Working with the Touch Boards	146
About Touch Tablets	150
Activity: Working with the Touch Tablets	151
About Touch Fabrics	154
Activity: Working with the Touch Fabrics	156

About Thermic Tablets	159
Activity: Working with the Thermic Tablets	161
About Baric Tablets	164
Activity: Working with the Baric Tablets	166
About Mystery Bag	169
Activity: Working with the Mystery Bag	171
About Geometric Solids	173
Activity: Working with the Geometric Solids	175

Auditory Activities

About Sound Cylinders	181
Activity: Working with the Sound Cylinders	183
About Silence Game	186
Activity: Playing the Silence Game	187
About Montessori Bells	189
Activity: Playing the Montessori Bells	192

Olfactory Activities

About Smelling Bottles	198
Activity: Working with the Smelling Bottles	199
