Mathematics Introduction	3
Montessori Math	4
Prior Learning	6
Characteristics of Montessori Math Materials	8
Areas of Montessori Math	12

Numbers to Ten

Numbers to Ten Introduction	15
About the Number Rods	18
Activity: Counting with the Number Rods	20
About the Sandpaper Numbers	24
Activity: Working with the Sandpaper Numbers	26
Activity: Matching Number Rods and Number Cards	29
About the Spindle Boxes	32
Activity: Counting with the Spindle Boxes	35
Activity: Playing the Zero Game	39
About Numbers and Counters	42
Activity: Matching Numbers and Counters	44
Activity: Playing the Memory Game	48
About the Insta-Learn Math Board	51
Activity: Working with the Insta-Learn Math Board	53

Introduction to the Decimal System

Decimal System Introduction	57
About the Golden Bead Material	62
Activity: Introducing the Golden Bead Material	66
About the Large and Small Number Cards	70
Activity: Introducing the Large Number Cards	73

Activity: Counting the Golden Bead Material	.76
Activity: Sequencing the Large Number Cards	.81
Activity: Associating Quantities and Numbers	.85
Activity: Matching Quantities and Numbers	.88
Activity: Introducing the Bank	.93
Activity: Playing the Change Game	.96

The Four Operations

The Four Operations Introduction	.102
Activity: Adding with the Golden Bead Material	.108
Activity: Subtracting with the Golden Bead Material	.114
Activity: Multiplying with the Golden Bead Material	.120
Activity: Dividing with the Golden Bead Material	.126
About the Stamp Game	.132
Activity: Introducing the Stamp Game	.136
Activity: Adding with the Stamp Game	.139
Activity: Subtracting with the Stamp Game	.142
Activity: Multiplying with the Stamp Game	.146
Activity: Dividing with the Stamp Game	.149
About the Dot Game	.154
Activity: Adding with the Dot Game	.156
Activity: Solving Word Problems	.161

Teens, Tens, and Hundreds

Teens, Tens, and Hundreds Introduction	.165
About the Short Bead Stair	.168
Activity: Counting with the Short Bead Stair	.172
Activity: Building Quantities 11–19	.176
About the Teen Boards and Tens Boards	.179
Activity: Learning Numbers 11–19 with the Teen Boards	.181
Activity: Associating Quantities and Symbols for 11–19	.184
About the Teen Frame	.187

Activity: Associating Quantities and Symbols 11–19 with the Teen Frame . . .	188
Activity: Building Quantities 10–90	191
Activity: Learning Numbers 10–90 with the Tens Boards	194
Activity: Associating Quantities and Symbols for 10–90	197
Activity: Building Quantities 11–99	200
Activity: Learning Numbers 11–99 with the Tens Boards	203
Activity: Associating Quantities and Symbols for 11–99	206
About the Hundred Chain	209
Activity: Counting the Hundred Chain	211
About the Hundred Board	217
Activity: Working with the Hundred Board	218

Memorization

Memorization Introduction	223
About the Small Number Rods	226
Activity: Adding with the Small Number Rods	228
Activity: Adding with the Short Bead Stairs	232
About the Snake Game	235
Activity: Playing the Addition Snake Game	238
About the Addition Strip Board	243
Activity: Working with the Addition Strip Board	245
About the Addition Charts	249
Activity: Working with Addition Chart 3	253
Activity: Working with Addition Chart 4	256
Activity: Working with Addition Chart 5	259
Activity: Working with Addition Chart 6	262
Activity: Subtracting with the Small Number Rods	265
Activity: Playing the Subtraction Snake Game	268
About the Subtraction Strip Board	272
Activity: Working with the Subtraction Strip Board	274
About the Subtraction Charts	279
Activity: Working with Subtraction Chart 2	281

Activity: Working with Subtraction Chart 3284
About the Multiplication Bead Board287
Activity: Working with the Multiplication Bead Board290
Activity: Multiplying with the Colored Bead Bars294
About the Multiplication Charts297
Activity: Working with Multiplication Chart 3300
Activity: Working with Multiplication Chart 4303
Activity: Working with Multiplication Chart 5306
About the Unit Division Board309
Activity: Working with the Unit Division Board311
About the Division Charts315
Activity: Working with Division Chart 1317
Activity: Working with Division Chart 2319
